RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

COUNTY OF LOS ANGELES - SHERIFF'S DEPARTMENT

The purpose of this document is to provide a status of the recommendations by date and title, prepared by Special Counsel Merrick Bobb, the Office of Independent Review (OIR), and the Board of Supervisors.

- I. **Install surveillance cameras at the Men's Central Jail, the Inmate Reception Center and the Twin Towers Correctional Facility within 30 days and develop a plan to purchase and install surveillance cameras at the remaining jail facilities.**

The Department has installed all 705 cameras at Men's Central Jail (MCJ). As of May 31, 2012, all cameras are online and recording.

The Department has installed all 854 cameras at Twin Towers Correctional Facility (TTCF) and the Inmate Reception Center (IRC). Of those, 750 cameras have been installed at TTCF and 104 cameras have been installed at IRC. As of November 30, 2012, all cameras are online and recording.

The attached document (Camera Project Status Report) depicts the Department's current status on camera installation and the projected total of cameras.

Data Storage

The servers and storage equipment, together, provide storage of video footage. They were deployed the first quarter of 2012. Additional hard drives and storage enclosures have been deployed to provide long-term storage of the video footage. Technicians are analyzing equipment efficiency and storage capacity as cameras are added to the storage system. Options regarding the expansion of video storage have been considered in order to meet legal and Board approved requirements for archived video, while ensuring quality resolution at various frame rates.

The network upgrade for MCJ was completed at the end of April 2012. The installation of the servers and storage equipment was completed at the end of May 2012. The network upgrade for all of TTCF and IRC was completed in November 2012.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

Policy

The Department has implemented new policies to properly inspect and secure all equipment associated with the video surveillance system. The Department is finalizing its policies regarding the review of video recordings involving a use of force. Personnel are required to write their report prior to viewing any video recording of force incidents.

II. Eliminate the use of heavy flashlights as batons to subdue inmates.

Recommendation implemented – Effective September 1, 2012

The Sheriff has directed and approved a new policy to limit the size and weight of the flashlight. The policy specifies the flashlights shall not weigh more than 16 ounces, and shall not be more than 13 inches in length. Flashlights longer than 6 inches shall be of plastic or nylon composite material only. The Custody Division Manual (CDM) section 3-06/055.20 Flashlights, was published on May 23, 2012. The policy was implemented on September 1, 2012, in order to provide a reasonable period of time to acquire policy conforming flashlights.

In August 2012, all custody assistants were issued a new high quality flashlight made of durable lightweight composite material, approximately 13 inches in length. All deputies were provided a light weight battery sleeve to bring their current duty issued flashlights into compliance with the new policy.

III. Eliminate the use of “steel-toe” shoes.

Recommendation implemented.

On October 24, 2011, the Department made revisions to the existing “Footwear” policy (MPP 3-03/225.00). This policy was published into the Department’s Manual of Policy and Procedures and disseminated to all personnel on February 10, 2012.

Research of existing personnel showed that Department personnel have never worn “steel toe” boots in any capacity; however, the Department formally revised the policy to strictly prohibit any use of “steel toe” boots.

IV. Revise the Policy on Head Strikes with Impact Weapons to forbid all head strikes, including, but not limited to, head strikes against fixed objects such as floors, walls or jail bars, unless the standard for lethal force has been met.

Recommendation implemented.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

On October 10, 2011, the Sheriff initiated a "Force Prevention" policy (CDM 3-02/035.00) which provides direction for personnel relating to respect based treatment of incarcerated individuals. This policy was published into the Custody Division Manual and disseminated to all custody assigned personnel on November 8, 2011. The policy was then discussed with the ALADS working group in which revisions were made. The revised Force Prevention policy was republished and redistributed to all personnel in the jails on March 19, 2012.

On October 26, 2011, the Department made additions to the existing "Unreasonable Force" (MPP 3-01/025.10) policy and the "Activation of Force/Shooting Response Teams" (MPP 5-09/434.05) to strictly prohibit head strikes against a hard object. Unless otherwise handled by the Internal Affairs Bureau (IAB), the Custody Force Response Team (CFRT) responds to all force incidents where any head strike occurs, whether the strike is initiated by personnel, or by contact with floors, walls or other hard objects. The "Unreasonable Force" and "Activation of Force/Shooting Response Teams" policies were published into the Department's Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

V. Rotate jail deputies between floors at Men's Central Jail and other jail facilities at no less than six-month intervals.

Recommendation implemented partially.

In January 2011, Men's Central Jail began rotating their staff no less than every six months. After consulting with ALADS, a new Custody Directive "Mandatory Rotation of Line Personnel in Custody" (12-001) was published and disseminated to all custody personnel on February 17, 2012, mandating the rotation of all Custody line personnel every six months within their assigned facility. All facilities (MCJ, TTCF, IRC, CRDF, MLDC, and all PDC facilities) began rotating personnel every six months effective February 17, 2012. The Department is currently assessing the feasibility of rotating deputies amongst proximate custody facilities. There are several logistical, scheduling, and labor issues that need to be overcome before this could be accomplished.

The Department will seek volunteers to pilot a one-year rotation plan among proximate jail facilities to assess the impact of such a program. The Department will report back to the Board at the conclusion of the program.

VI. Enforce the Anti-Retaliation Policy to prevent Sheriff's deputies from retaliating against inmates speaking with legal representatives or inmate advocacy groups or for expressing dissatisfaction with jail conditions.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

Recommendation implemented.

In August 2011, the Department made revisions to the existing "Treatment of Inmates" (CDM 5-12/005.00) policy to prevent deputies from retaliating against inmates. All staff assigned to Custody Division were provided a formal briefing on the revisions to the policy. The briefing began August 4, 2011, and continued for a two-week period. In addition, the Department redistributed the policy on October 25, 2011, for another two-week recurring briefing to ensure each staff member was fully aware of the expectations of the policy and mandated quarterly recurring briefings be conducted.

The Department made additional revisions to the existing "Treatment of Inmates" policy in order to separate and create specific orders relating to retaliation against inmates. The Custody Division Manual, "Anti-Retaliation Policy" (CDM 5-12/005.05) mandates that all complaints of retaliation are forwarded to IAB; the captain of IAB will determine which unit will conduct the investigation. This revised version of the "Treatment of Inmates" policy and the new "Anti-Retaliation Policy" were published and disseminated to all custody personnel on February 27, 2012. In response to further discussions with the American Civil Liberties Union (ACLU), the Department made some minor changes to the anti-retaliation policy to address investigative procedures. Those changes were effective December 4, 2012.

- VII. Interviews of inmates who make claims of excessive force should not be conducted by, or in the presence of, the deputies or their supervising sergeant involved in the alleged use of force.**

Recommendation implemented.

On October 26, 2011, the Department made revisions to the existing "Use of Force Reporting and Review Procedures" (MPP 5-09/430.00) policy ensuring privacy during force interviews. This policy was published in the Department's Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

- VIII. Interviews of inmates alleging use of force and any witnesses must occur as soon as feasibly possible, but no later than 48 hours of the incident.**

Recommendation implemented.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

On October 26, 2011, the Department made revisions to the existing "Use of Force Reporting and Review Procedures" (MPP 5-09/430.00) policy directing supervisors to immediately conduct interviews. As noted in VII, this policy was published in the Department's Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

- IX. Develop a prioritization process for Use of Force Investigations to ensure that the most severe incidents are completed within 30 days and all others are completed within 60 to 90 days.**

Recommendation implemented.

The Department developed the CFRT to ensure that significant force cases, not handled by IAB, are externally evaluated and completed within 30 days. Upon completion, they are reviewed by the newly formed Custody Force Review Committee (CFRC), which consists of three commanders. The last CFRC was conducted on October 16, 2012, and included oversight by the OIR. The next CFRC is scheduled for December 4, 2012. To date, the CFRC has reviewed 51 cases. Of those, 5 have been referred to IAB and none have been referred to ICIB.

The Department continues to process the most severe incidents as IAB investigations, which are generally completed within 90 days unless unexpected circumstances arise.

The CFRT Directive was published and disseminated to all custody personnel on November 7, 2011. The aforementioned CFRT Directive was revised and published as a Custody Division Policy on May 23, 2012. The CFRC policy was published and disseminated to all custody personnel on April 16, 2012.

- X. Develop a plan for more intense supervision that requires jail sergeants to directly supervise jail deputies, including walking the row of jail cells and floors and responding as soon as possible to any notification of interaction where force is being used on an inmate.**

Recommendation Implemented at MCJ.

On October 27, 2011, the Department delivered a letter to the Chief Executive Officer (CEO) requesting additional supervisory staff in the jails. However, the Department felt it was imperative to immediately increase staffing at MCJ.

Effective November 6, 2011, 19 sergeants were added to MCJ's current staffing to ensure the appropriate supervision was in place. These items were removed

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

from other critical areas within the Department and deployed to cover both Day and PM shifts. Funding for these items was requested in a letter to the CEO on October 26, 2011, however to date the request has gone unfulfilled. There are now 2 sergeants assigned to 2000, 3000, 4000, 5000, and 9000 floors, and a full-time sergeant is dedicated to 1700/1750. All sergeants were briefed on the expectations to be visible and actively monitoring activity on the floor at all times. In addition, the Department has completed "duty statements" for all custody personnel to ensure they have a full understanding of the expectations of their assignment.

- XI. Immediately mandate that all custody medical personnel report all suspicious injuries of inmates to the Internal Affairs Bureau or the captain of the jail facility where the inmate is housed.**

Recommendation implemented.

On October 26, 2011, the Department's Medical Services Bureau revised the "Injury/Illness Report - Inmate" policy (M206.09) to include a provision requiring medical staff to advise the facility watch commander in the event an inmate reports/alleges that their injuries are the result of force used by a Department employee. This policy was disseminated to all medical personnel on October 26, 2011.

- XII. Report back on the role of the new jail commanders and how they will be used to reduce jail violence.**

As reported to the Board on November 1, 2011.

Since the implementation of efforts by the CMTF to reduce jail violence and associated use of force incidents, total significant uses of force continue to decline. Two documents are attached relating to force incidents in the jails:

- Force Used by Month – Significant force vs. Less significant force*
- Force Year to Date – 2007 to 2012*

The jail commanders continue to work with each custody unit to accomplish the goals set forth by the Sheriff.

The jail commanders oversee the operations of the CMTF, comprised of five commanders, eight lieutenants, eight sergeants, and four support staff. The lieutenants, sergeants, and support staff are all items that were removed from critical units within the Department and deployed to this task force.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

The CMTF mission is to assess and transform the culture of the custody facilities in order to provide a safe, secure learning environment for our Department personnel and the inmates placed in the Department's care. The CMTF's purpose is to empower Department personnel to provide a level of professionalism and serve the needs of inmates consistent with the Department's "Core Values."

The CMTF's responsibilities and goals include promoting community trust, reducing jail violence by changing the deputy culture of the custody environment, encouraging respect based communications with inmates, reviewing and implementing new training for staff assigned to the jails, preparing and revising all directives/policies necessary to implement Special Counsel Merrick Bobb/OIR recommendations, analyzing force incidents and developing and implementing a custodial career path.

The CMTF and Custody Support Services have been working collaboratively to fulfill recommendation requests made by the ACLU, Special Counsel Merrick Bobb, the OIR, and the Board of Supervisors, which pertain to the jails.

The eight CMTF lieutenants work directly in accomplishing the goals set forth by the Sheriff and commanders. The eight CMTF sergeants are comprised as a jail force "roll-out" team (CFRT) who oversee, mentor and review all significant force cases that meet a particular criterion, yet do not rise to the level of an IAB investigation.

- XIII. Sheriff to work with the Chief Executive Office to immediately study the feasibility of purchasing officer worn video cameras for all custody personnel to use, to identify potential funding for this purpose, and develop appropriate policies and procedures for the use of these cameras. Policies should include a requirement that custody personnel record all interactions with inmates, including Title 15 checks, any movement throughout the jail facilities and any use of force. Each failure to record or immediately report any use of force against inmates must be appropriately disciplined.**

The Department conducted a six month "Proof of Concept" in order to determine whether there is a practical use for Personal Video Recording Devices (PVRD) in Custody Operations Divisions.

The Department received and issued 30 PVRD's for the pilot program. The CMTF drafted a guideline, and conducted training for the volunteer deputies involved in the program. The PVRD's were worn by deputies interacting with

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

inmates at MCJ and TTCF. The Department conducted testing of PVRD models from two different manufacturers. The pilot program, which began on February 26, 2012, was completed on August 3, 2012. The Department provided the Board with a preliminary report on the pilot program on September 18, 2012, and followed up with an extensive report on November 2, 2012. The Department is currently working with the CEO to identify funding for this recommendation.

XIV. Consider the feasibility of targeted and random undercover sting operations performed in custody facilities to ensure deputies are working within policy.

As reported in closed session.

The Sheriff discussed this motion during the November 1, 2011, closed session meeting.

XV. Consider a "roll-out team" to investigate when there is a use of force in a custody facility.

Recommendation implemented.

Beginning November 2011, the Department created the CFRT, comprised of eight sergeants and a lieutenant, who are tasked with responding to selected custody facility force incidents. As of May 2012, the CFRT began responding to Court Services Division force incidents that met their criteria.

The CMTF created set criteria that mandate facility watch commanders to contact the CFRT and request a response. The CFRT sergeant will oversee and assist in the force documentation for the facility. In the course of reviewing the incident, the CFRT sergeant shall give specific direction to the handling supervisor. If any policy violations are discovered, the CFRT will immediately assume responsibility of the force investigation and initiate an IAB investigation.

All incidents requiring a CFRT response will be reviewed by a newly formed CFRC comprised of three commanders assigned to Custody Division. The CFRC has the authority to order additional investigation, make recommendations, or request an IAB investigation if there appears to be a possible violation of Department policy. Since inception (November, 2011), the CFRT has been notified/consulted on 215 incidents and has responded to 110 incidents. Year to date in 2012, the CFRT has been notified/consulted on 186 incidents and has responded to 98 incidents. The remaining cases the CFRT did not respond to did not meet the CFRT response criteria.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

- XVI. Report back in 30 days on the hiring standards for deputy sheriffs and how they changed during the last hiring push.**

Recommendation completed - a full report on the hiring standards was provided in the November 1, 2011, letter.

- XVII. Consider a two-track career path for deputies, patrol deputies and custody deputies.**

Feasibility study is ongoing.

On December 16, 2011, the Department concluded an extensive two-month study which analyzed different methods of implementing a two-track career path within the Department. These study results have been presented to the CEO, Association for Los Angeles Deputy Sheriffs (ALADS), Professional Peace Officers Association (PPOA), and the Public Safety Cluster Agenda Review (CAR) meetings on February 8, 2012, and October 24, 2012.

The Department formed a subject matter expert working group to update the current sergeant and lieutenant classifications for the Dual Track Career Path proposal, and is also working with the CEOs Classification Unit regarding its implementation. The Department continues to conduct informational meetings concerning the proposal with the CEO, ALADS, and PPOA.

- XVIII. Review existing policy of assigning new deputies to custody functions, specifically, the length of time spent in custody and the hiring trend as its primary determining factor, and revise the policy to reduce the length of time deputies serve in custody.**

On October 28, 2011, the Department authorized custody personnel to initiate extensions if they desire to remain in their current assignment. As of December 13, 2012, 502 deputies have taken advantage of this offer, which will ultimately cause a reduction of time that deputies will serve in a custody assignment.

As noted in the above item, recommendations for a two-track career path were presented to the CEO, ALADS, PPOA, and the Public Safety CAR meetings on February 8, 2012, and October 24, 2012, which will reduce the length of time deputies, serve in custody.
